WELCOME BACK

After a refreshing summer break, our Grade I students returned to school with bright smiles and boundless enthusiasm!

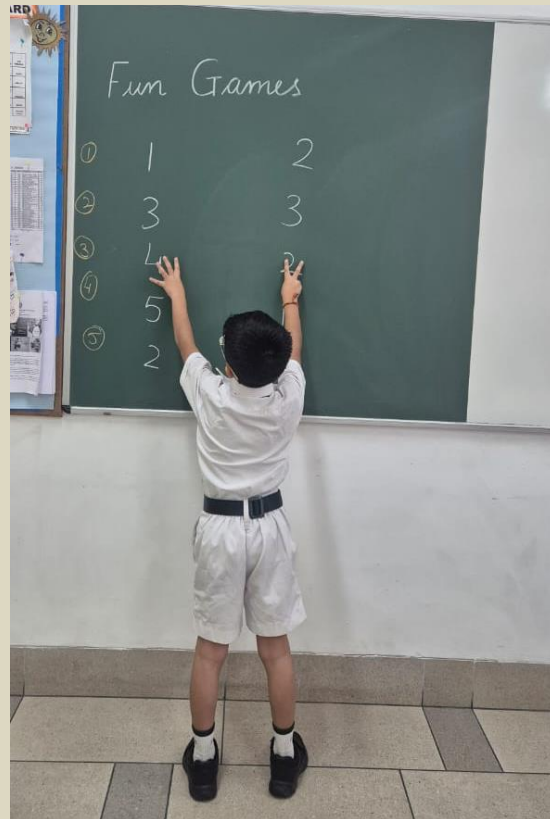

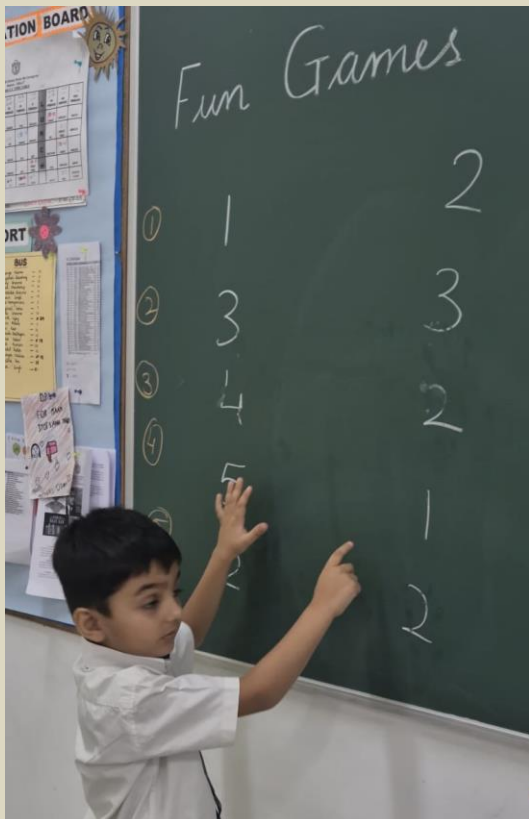

The day was filled with exciting welcome games, laughter, and joyful moments as our little learners reconnected with their friends and teachers. These fun-filled activities helped them feel comfortable, build friendships, and begin the new term with energy and confidence.

Here's to a wonderful year of learning, laughter, and endless adventures!

WELCOME BACK

DELHI PUBLIC SCHOOL, SECTOR-84 GURUGRAM

WELCOME BACK

Our little stars returned after the summer break with bright smiles, happy hearts, and excitement to meet their friends and teachers once again!

The day was filled with fun and engaging activities: 'Spot the Bubbles' – A playful start to the day! 'Mirror, Mirror... How Do I Feel?' – Children expressed their joyful emotions with confidence. Scribbling Time – A fun fine motor activity to strengthen pencil grip and creativity.

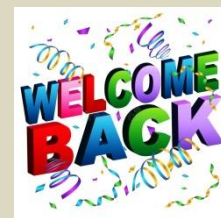

To make their first day even more special, each child received a cheerful Welcome Back takeaway carrying a sweet reminder: "Eat Healthy, Study Hard & Keep Smiling!"

Here's to another year of laughter, learning, and wonderful memories!

WELCOME BACK

FUN TEAM BUILDING ACTIVITY

The first day of school was filled with excitement, laughter, and joyful energy as students enthusiastically participated in a fun team-building game. Divided into teams, the children were challenged to travel a certain distance while balancing a balloon between them. The catch was that they could neither touch the balloon with their hands nor let it fall to the ground.

The activity encouraged teamwork, coordination, communication, and problem-solving while creating a cheerful and welcoming atmosphere. It was a wonderful way to begin the new school session, helping students reconnect with their classmates and start the year with smiles, enthusiasm, and a spirit of cooperation.

FATHER'S DAY

What a heartwarming celebration it was! Our amazing dads and little ones shared unforgettable moments as they laughed, played, danced, and enjoyed exciting games together. From fun-filled challenges to joyful giggles, every activity strengthened the beautiful bond between father and child. Thank you to all the wonderful fathers for making the day so special. Your enthusiasm, smiles, and love made this celebration truly memorable! Together, we created precious memories that will be cherished forever.

FATHER'S DAY

DELHI PUBLIC SCHOOL, SECTOR-84 GURUGRAM

KARGIL VIJAY DIWAS

Today, the children learned about Kargil Vijay Diwas in a simple and age-appropriate way. They were shown pictures of brave Indian soldiers and told that our soldiers protect our country and keep us safe. The children learned that India won the Kargil War because of the courage and bravery of our soldiers.

They enjoyed reciting the rhyme:

Brave soldiers, strong and tall,

They protect us one and all.

Thank you, heroes, loud we say,

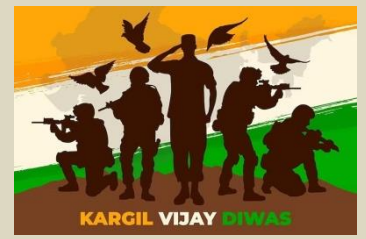

Jai Hind! Happy Kargil Day!

To conclude the activity, the children made a handprint Indian Flag as a tribute to our brave heroes and proudly said, "Jai Hind!"

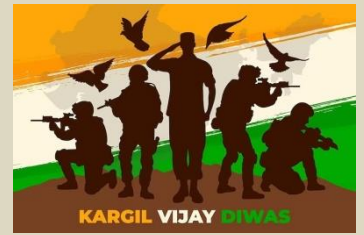

KARGIL VIJAY DIWAS

DELHI PUBLIC SCHOOL, SECTOR-84 GURUGRAM

KARGIL VIJAY DIWAS

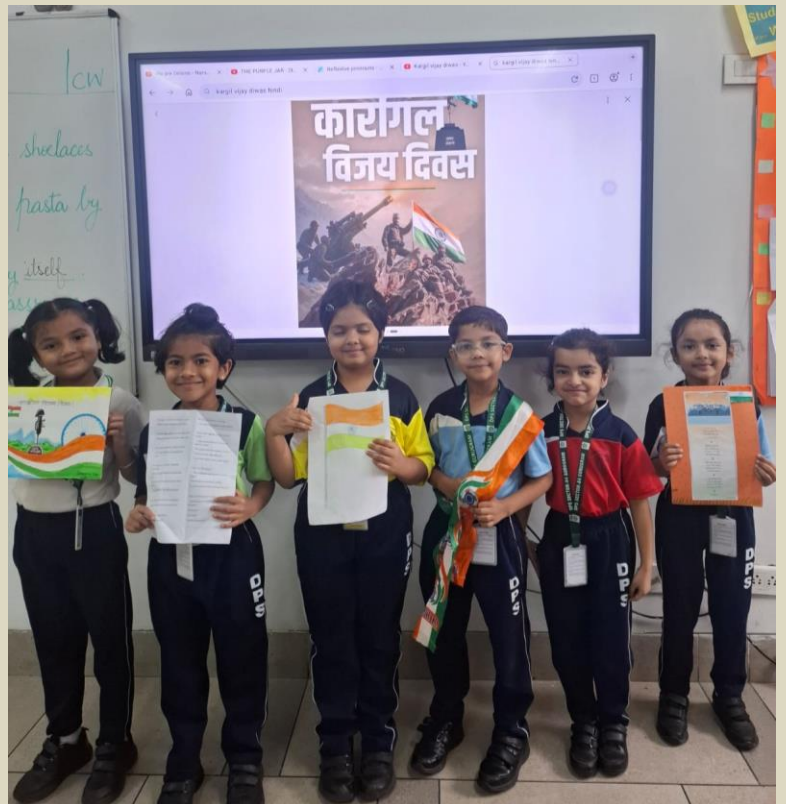

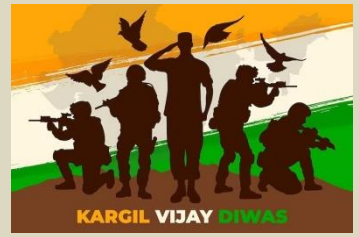

Our Grade 1 students filled the air with pride and patriotism during the Kargil Vijay Diwas Poem Recitation Competition! These tiny tots honored the brave heroes of the Indian Armed Forces with their innocent voices and powerful expressions. It was heartwarming to see our youngest learners salute the courage and sacrifice of our soldiers.

KARGIL VIJAY DIWAS

On the occasion of Kargil Vijay Diwas, the students of Grade II paid a heartfelt tribute to the brave soldiers who sacrificed their lives for the nation. To commemorate this important day, the children expressed their gratitude by drawing beautiful pictures inspired by the courage, patriotism, and sacrifice of our martyrs. Through this creative activity, the students learned about the significance of Kargil Vijay Diwas and developed a deep sense of respect and appreciation for the armed forces. The colorful drawings of the children reflected love for the country and served as a sincere salute to the heroes who safeguard our nation's freedom.

KARGIL VIJAY DIWAS

PAPER BAG DAY

Our little learners celebrated Paper Bag Day by decorating their own paper bags with creativity and joy! They also discovered that paper is made from trees and learned why it's a better choice than plastic.

Through a simple demonstration, children observed that paper decomposes naturally, while plastic does not, helping them understand the importance of saying "No to Plastic!"

PAPER BAG DAY

PAPER BAG DAY

DELHI PUBLIC SCHOOL, SECTOR-84 GURUGRAM

DOCTOR'S DAY

Our little learners celebrated Doctor's Day with curiosity, care, and lots of smiles! They explored healthy habits, learned about the importance of a first aid box, and enjoyed a special visit to the school infirmary where they observed medical equipment like a stethoscope and discovered how doctors and nurses help us stay healthy.

To make the day even more special, our tiny stars expressed their gratitude by presenting a heartfelt Thank You Card to our caring school nurse.

A day full of learning, kindness, and appreciation for our everyday healthcare heroes!

DOCTOR'S DAY

BLUE COLOUR DAY

Our tiny stars had a wonderful time celebrating Blue- color Day! The day started with an interactive discussion about everything that is blue in nature, where children identified the sky, rain, water, sea, and blue flowers.

Children enjoyed a finger-printing activity, creating beautiful raindrops falling from fluffy clouds. This fun activity enhanced their creativity and fine motor skills.

We also had a "Save Water" discussion, where children learned that water is precious and should never be wasted. They shared simple ways to save water, like turning off taps and using water wisely.

The highlight of the day was the exciting "Feed the Blue Monster" game, where children happily fed the monster with blue balls, making color recognition fun and interactive.

It was a day filled with learning, creativity, laughter, and lots of blue fun!

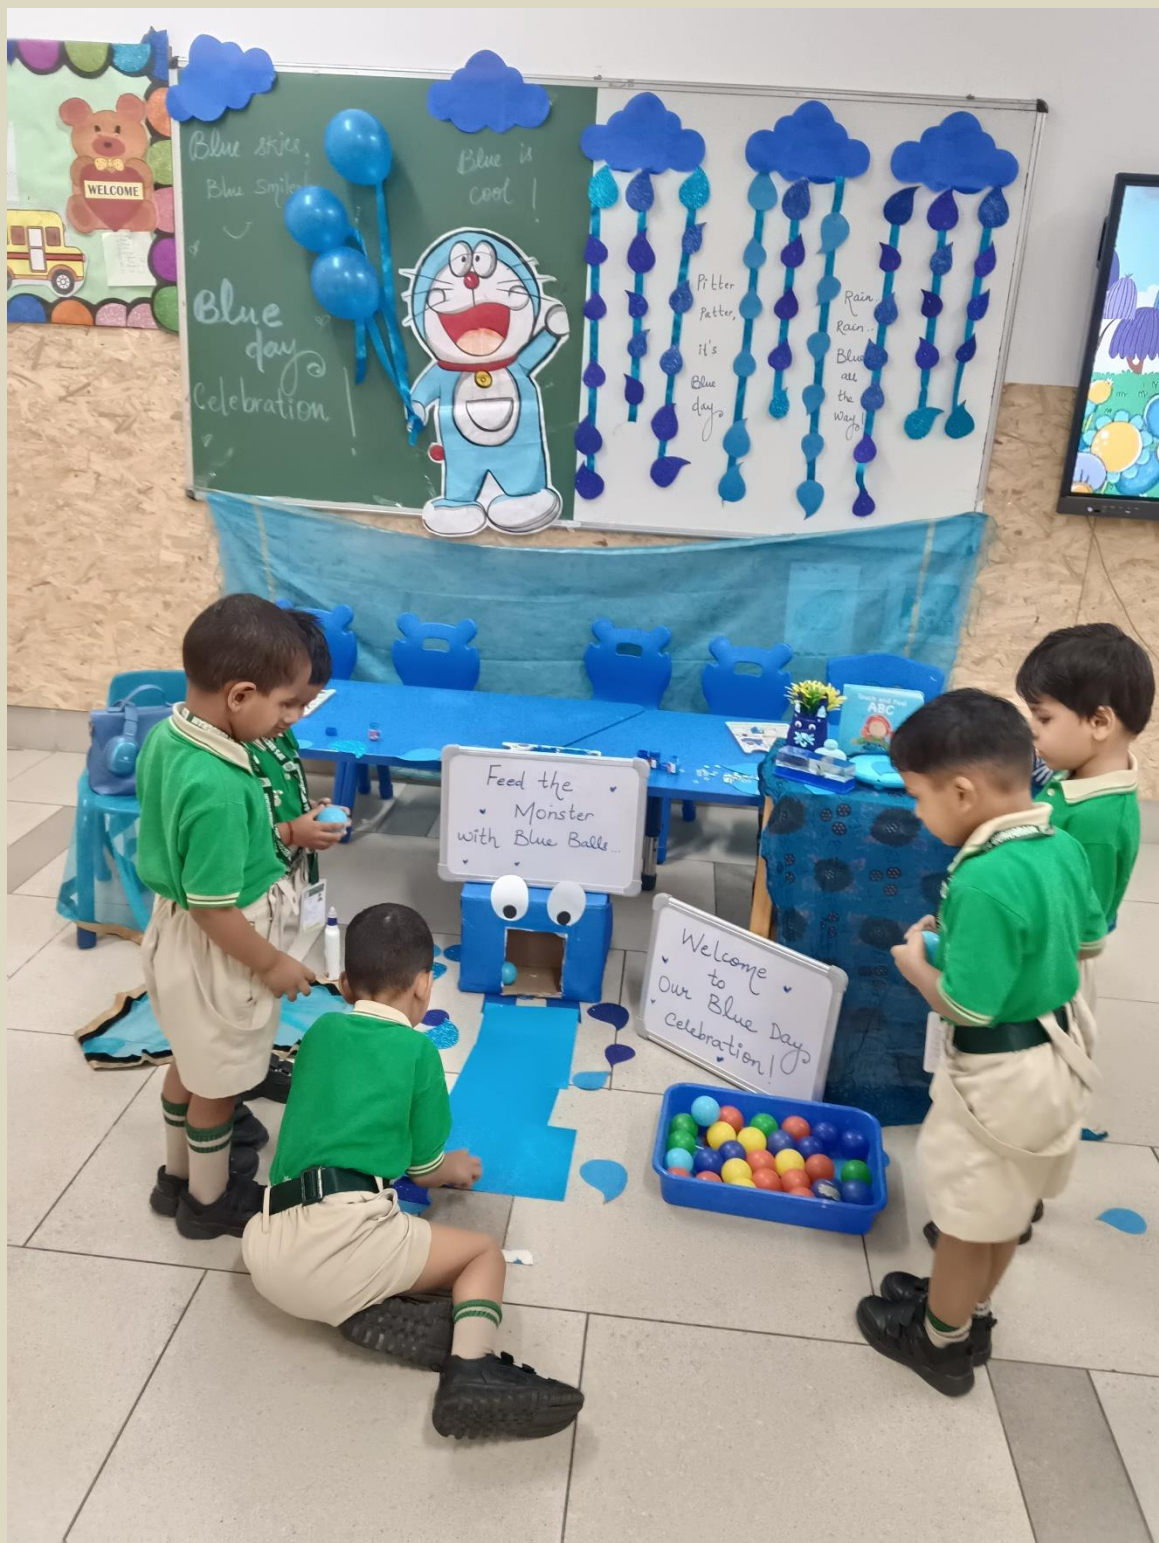

BLUE COLOUR DAY

BLUE COLOUR DAY

BLUE COLOUR DAY

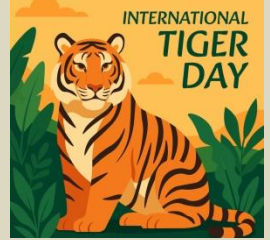

BLUE COLOUR DAY

WORLD TIGER DAY

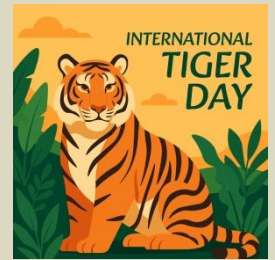

Our little learners celebrated World Tiger Day with great enthusiasm and curiosity! They discovered that the tiger is India's national animal, learned that a baby tiger is called a cub, and that tigers live in a den. The children joyfully recited a fun tiger rhyme, bringing smiles and excitement to the classroom. The celebration continued with an adorable tiger craft activity and exciting tiger tattoos, making learning fun, creative, and memorable. Through these engaging experiences, our young explorers also learned the importance of loving and protecting these magnificent big cats. Let's roar together to protect our tigers and preserve wildlife for future generations!

STORY TIME

Through an engaging teacher's enactment, our little learners explored the importance of being responsible. They learned to take care of their own belongings, keep their surroundings clean, and develop good daily habits. The story encouraged children to understand that even small actions make a big difference. With the inspiring message "I Can Do It!", our young learners discovered that they are capable of being responsible and independent every day.

GROSS MOTOR SKILL

**Gross
Motor
Skills**

Our little learners had a fantastic time building their gross motor skills through fun-filled activities!

‘Musical Circle Hunt’ – Children walked around the circle to the music and quickly picked up a ball when the music stopped.

‘Balance Walk’ – Tiny tots carefully balanced a paper cup on a plate while crossing hurdles, enhancing their balance, coordination, and focus.

Every step, smile, and challenge helped our little champs grow stronger and more confident!

GROSS MOTOR SKILL

FINE MOTOR SKILL

Our little learners celebrated Blue- color Day with great excitement! They came dressed in blue and enjoyed exploring different blue-colored objects. It was a fun and engaging way to learn about the color blue.

MATH ACTIVITY

Our little learners had a wonderful time revising numbers 1 to 6 through an exciting Hopscotch Game. As they hopped from one number to another, they confidently identified, counted, and recalled each number with great enthusiasm. This fun-filled activity not only strengthened number recognition and counting skills but also enhanced balance, coordination, confidence, and active participation—making learning joyful every step of the way!

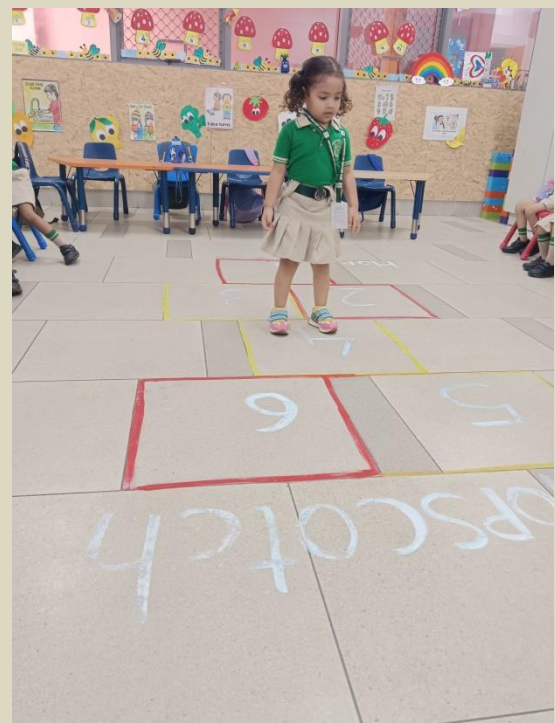

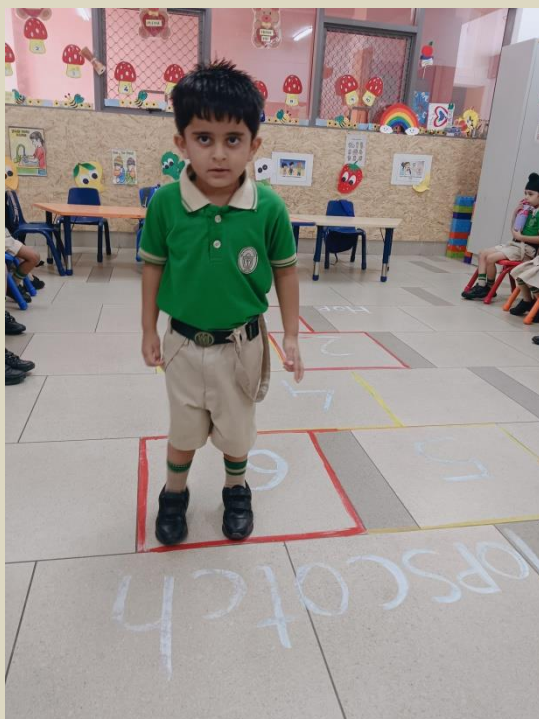

Hop, Count, Learn, and Smile!

DELHI PUBLIC SCHOOL, SECTOR-84 GURUGRAM

MATH ACTIVITY

LETTER SORTING ACTIVITY

Our little learners enjoyed a fun Letter Ss & Tt Sorting Station activity! They picked up different objects, identified their beginning sounds, and placed them in the correct Ss or Tt box. This hands-on activity helped strengthen letter recognition, phonics, and sorting skills while making learning exciting!

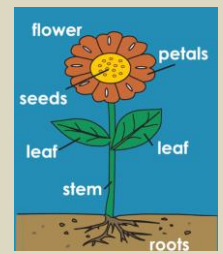

LETTER SORTING ACTIVITY

OUR GREEN FRIENDS

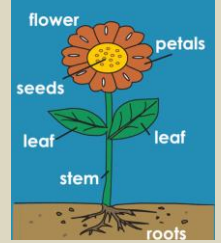

Our little learners had a wonderful time connecting with nature through a series of meaningful outdoor activities. Children sorted leaves into big, small, and dry categories, helping them develop observation and classification skills. They also explored the parts of a plant by observing real plants closely and identifying roots, stem, leaves, and flowers. To nurture care and gratitude for nature, the children watered plants, gave them gentle hugs, and said “Thank You” for giving us fresh air, shade, flowers, and fruits. The joy continued as they created beautiful flower bracelets using fresh flowers, encouraging creativity and fine motor development. A day filled with learning, kindness, creativity, and a deeper connection with the natural world!

EMOJI DAY CELEBRATION

Smiles, giggles, and lots of happy faces filled our classroom as our little stars of Nursery B celebrated World Emoji Day! Our confident learners beautifully presented a few lines about emojis and expressed how different emojis help us share our feelings and emotions. From happy 😊 to surprised 😲 and excited 😄, every little expression made the celebration extra special!

It was a joyful day of learning, confidence, and expressive communication—because every smile tells a story!

SAVE PAPER, SAVE TREE

SAVE THE TREES

Our little eco-warriors from Nursery A spread a powerful message through their heartwarming assembly—"Save Paper, Save Trees."

With confident performances, meaningful thoughts, and cheerful smiles, our tiny stars reminded everyone that every sheet of paper saved is a step towards protecting our beautiful planet. "Think before you print, recycle what you use, and let every tree continue to breathe for us." Together, let's nurture young minds to become responsible guardians of the Earth because small hands can make a BIG difference!

DATA HANDLING

DATA HANDLING ACTIVITY

Our Grade 2 students participated in a fun and interactive Data Handling Activity. The teacher had prepared a Birthday Month Chart in advance with all the months of the year. One by one, the students came forward and pasted their photographs under their respective birth months. After all the photographs were placed, the class collected and observed the data together. The students easily identified which month had the maximum number of birthdays and which month had the minimum number of birthdays. They also compared the number of birthdays in different months. This hands-on activity made the concept of Data Handling simple, meaningful, and enjoyable. The children actively participated, learned how to collect and interpret data, and found the activity both interesting and informative.

DATA HANDLING ACTIVITY

MY FLYING KITE

Articles are special, small words that always come right before naming words (nouns). They act like little pointers to tell us if we are talking about just any general thing or one specific, unique thing. In the English language, there are exactly three articles that young learners need to know: A, An, and The. Learning how to use them helped Class 2 students build strong speaking and writing foundations.

MY FLYING KITE

MY FLYING KITE

MY DREAM HOUSE ACTIVITY

Our Grade- I little architects stepped into the world of design during their latest EVS activity! After learning all about types of houses, our creative students put color to paper and drew their absolute dream houses. From candy-walled mansions to towering treehouses and cozy castles, their imagination blew us away. This hands-on activity beautifully blended their lessons on 'Shelter' with creativity, fine motor skills, and self-expression.

MY DREAM HOUSE ACTIVITY

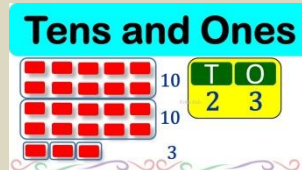

MY DREAM HOUSE ACTIVITY

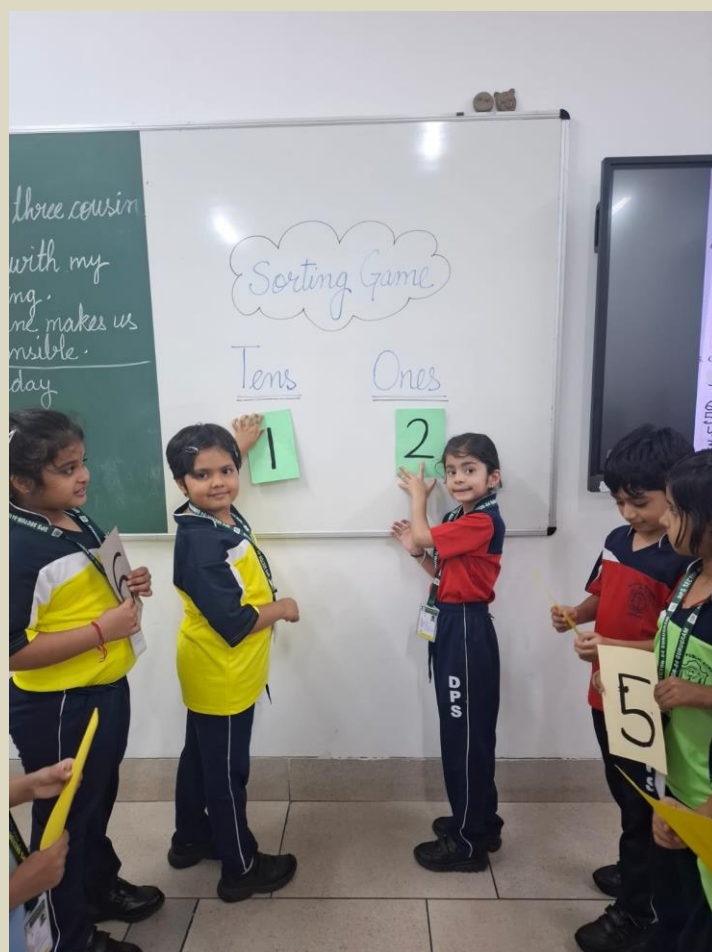

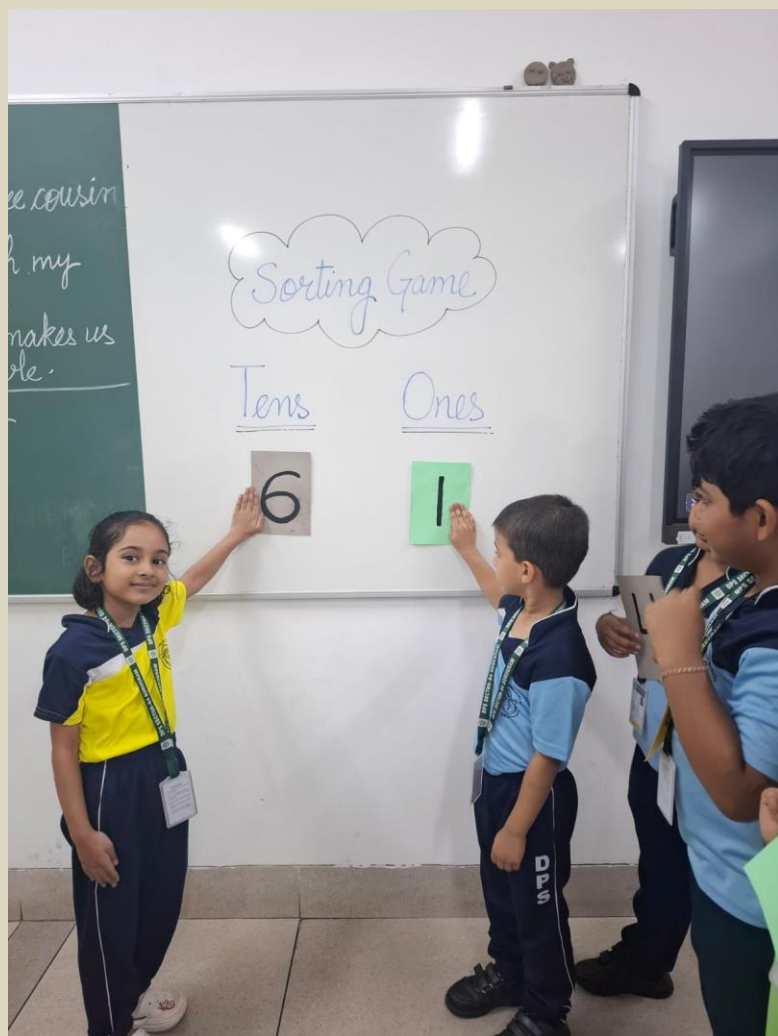

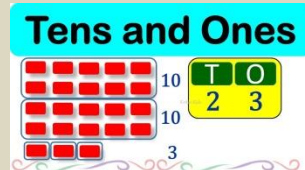

DELHI PUBLIC SCHOOL, SECTOR-84 GURUGRAM

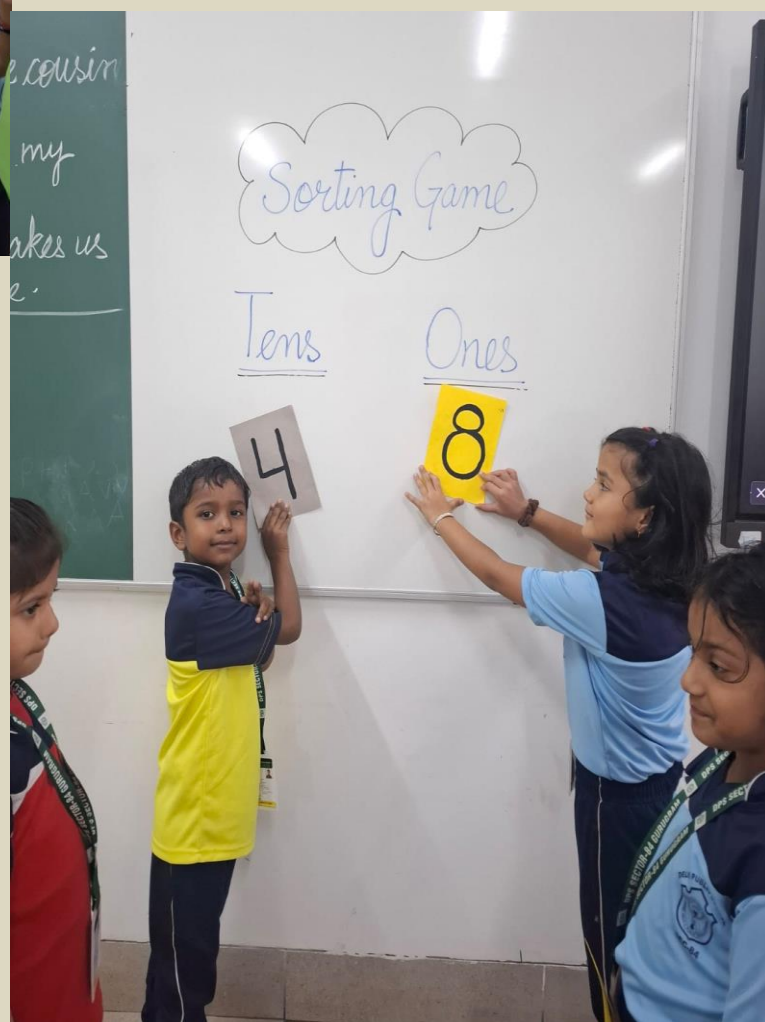

SORTING TENS AND ONES ACTIVITY

Our brilliant Grade- I mathematicians had a fantastic hands-on learning experience this week during their latest Math Activity: Sorting Tens and Ones! Using colorful number cards and interactive learning tools, our young learners put on their thinking caps to break down numbers into tens and ones.

SORTING TENS AND ONES ACTIVITY

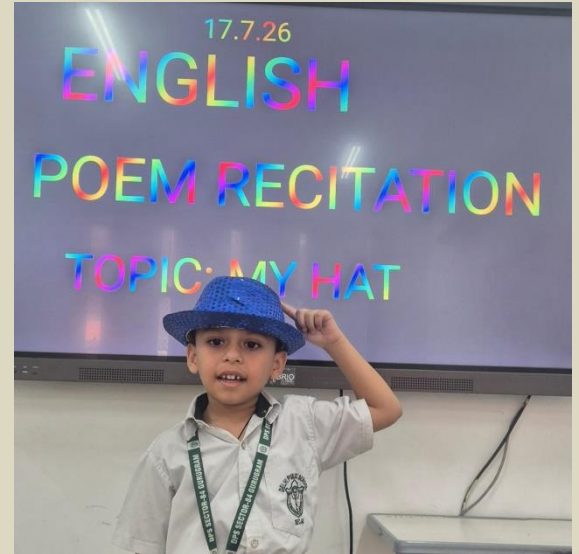

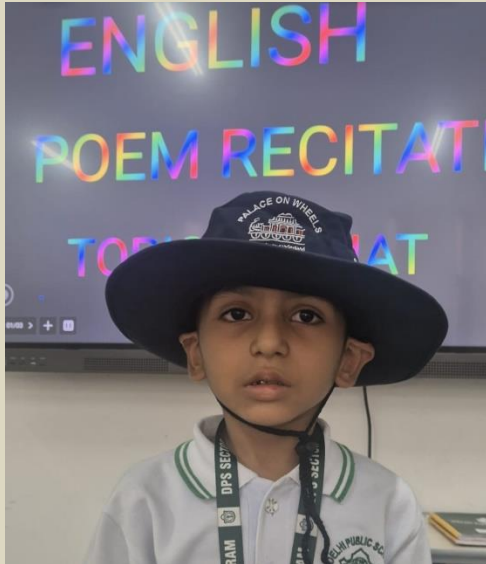

POEM RECITATION

POEM RECITATION

Our Grade I superstars took the stage today for the "My Hat" Poem Recitation. From colorful caps to creative props, our young learners brought every stanza to life with incredible expressions, clear voices, and immense confidence. Watching these brave storytelling moments reminds us how quickly our students are growing as public speakers. A huge thank you to our wonderful teachers and parents for supporting them behind the scenes!

DELHI PUBLIC SCHOOL, SECTOR-84 GURUGRAM

POEM RECITATION

POEM RECITATION

SUBTRACTION TRAIN ACTIVITY

Our Grade 2 students enjoyed a fun and engaging Subtraction Train Activity. They drew a train with many bogies and started with the number 30 in the engine. In each bogie, they subtracted 5 from the previous number until they reached 0.

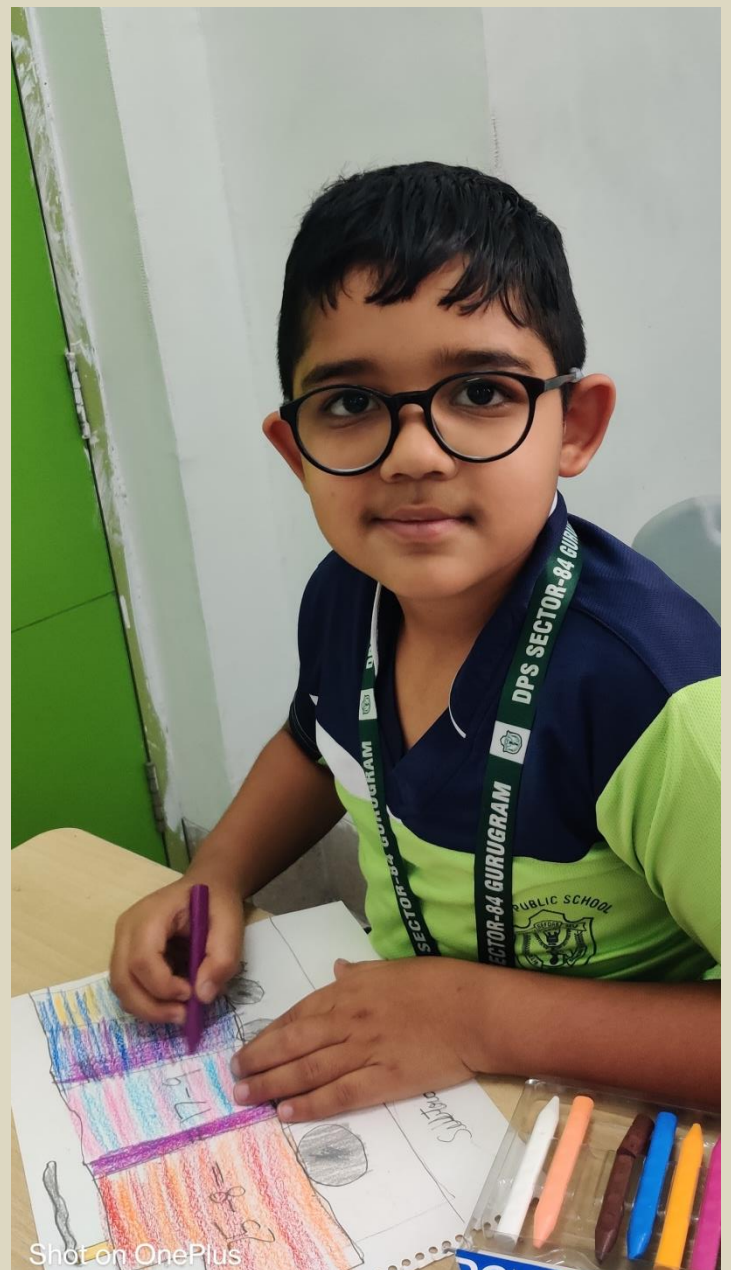

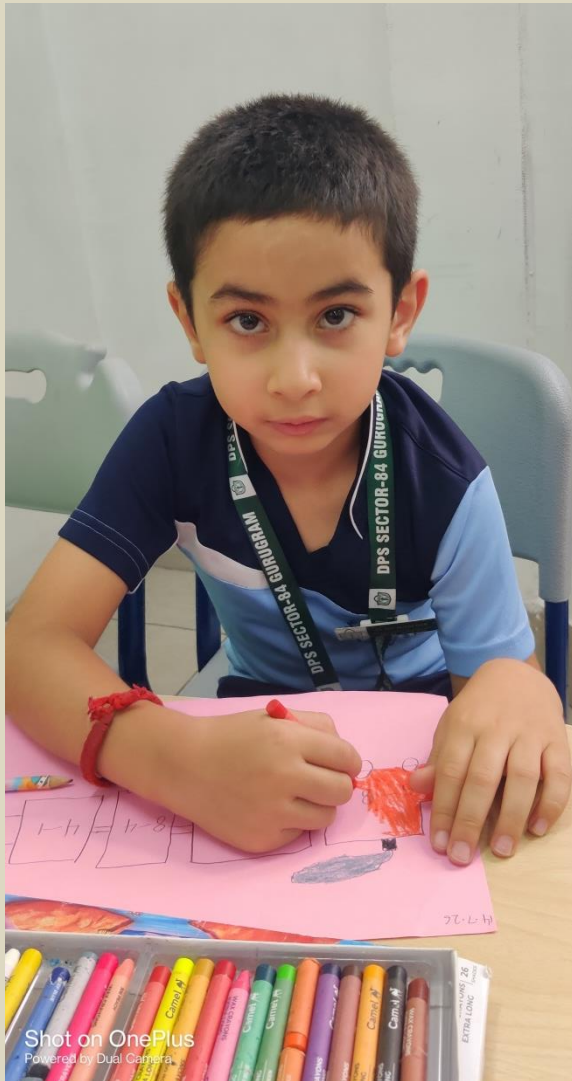

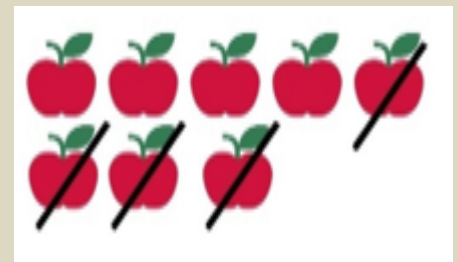

$30 \rightarrow 25 \rightarrow 20 \rightarrow 15 \rightarrow 10 \rightarrow 5 \rightarrow 0$

While drawing and coloring their trains, the children practiced, subtraction in an enjoyable way. This hands-on activity made learning interactive, strengthened their subtraction skills, and helped them understand the concept through creativity. The students had great fun and learned subtraction with confidence.

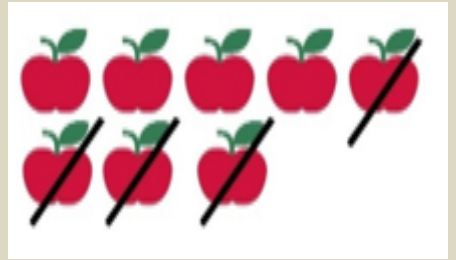

SUBTRACTION TRAIN ACTIVITY

SUBTRACTION TRAIN ACTIVITY

DELHI PUBLIC SCHOOL, SECTOR-84 GURUGRAM

TINY TOWN ARCHITECTS

Our little architects explored the fascinating world of homes by creating beautiful 2D models of different types of houses, such as huts, igloos, stilt houses, houseboats, caravans, and apartments. Through this creative activity, students learned that people live in different kinds of houses depending on the climate, surroundings, and their needs. It enhanced their understanding of the EVS concept of 'Types of Houses' while encouraging creativity, observation, and fine motor skills.

TINY TOWN ARCHITECTS

DELHI PUBLIC SCHOOL, SECTOR-84 GURUGRAM

VERB COLLAGE

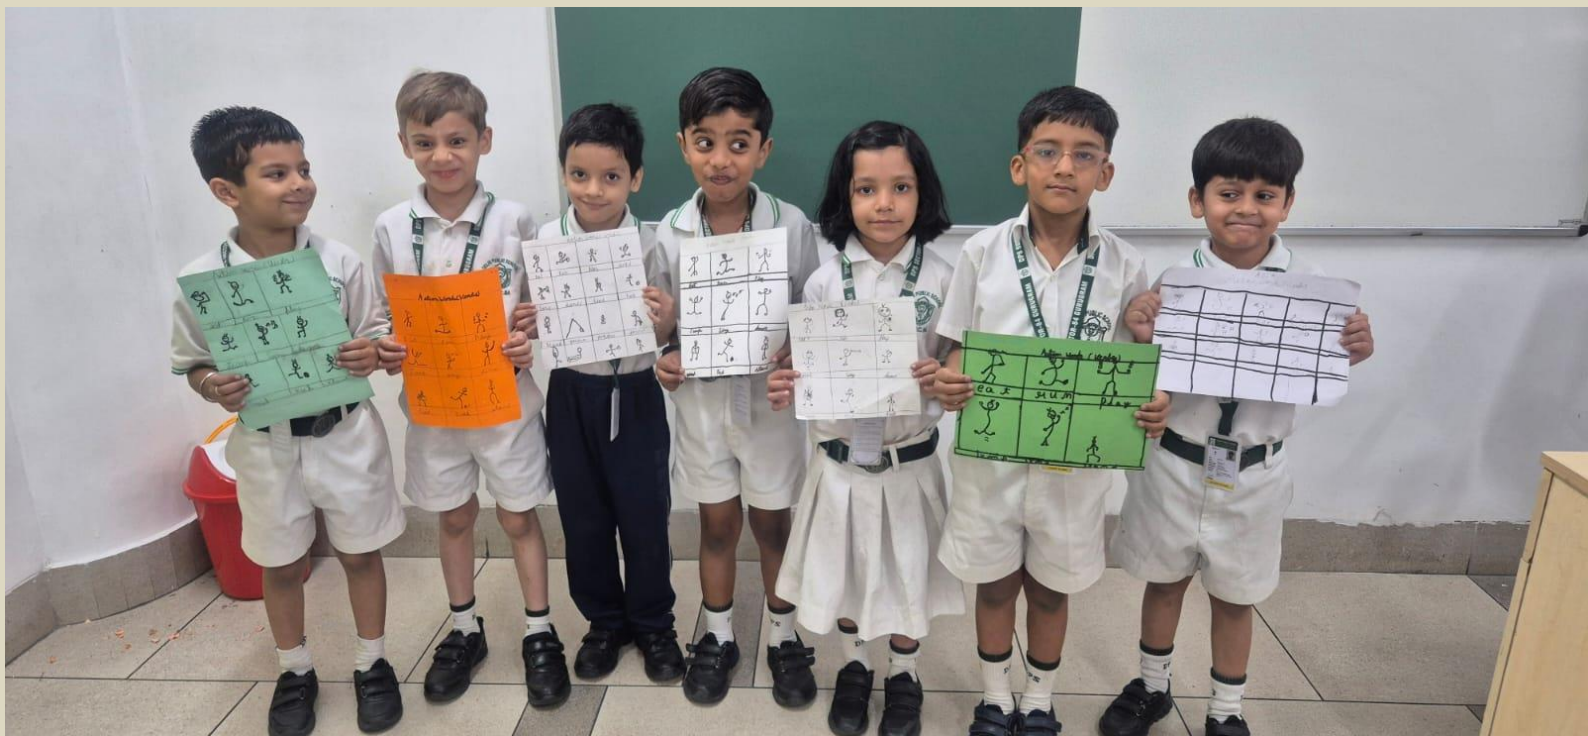

Teaching verbs effectively requires shifting from abstract grammar definitions to concrete, physical experiences. For young learners, a verb is best defined simply as an "action word" or a "doing word." Because children naturally understand the world through movement, linking language to physical action makes the concept immediately relatable and easy to grasp.

Verb collage was a fun, hands-on activity that helped Class 2 students learn action words through pictures. It combines arts and crafts with grammar to make learning memorable.

VERB COLLAGE

DELHI PUBLIC SCHOOL, SECTOR-84 GURUGRAM

VAN MAHOTSAV-EXPRESS-IMPRESS COMPETITION

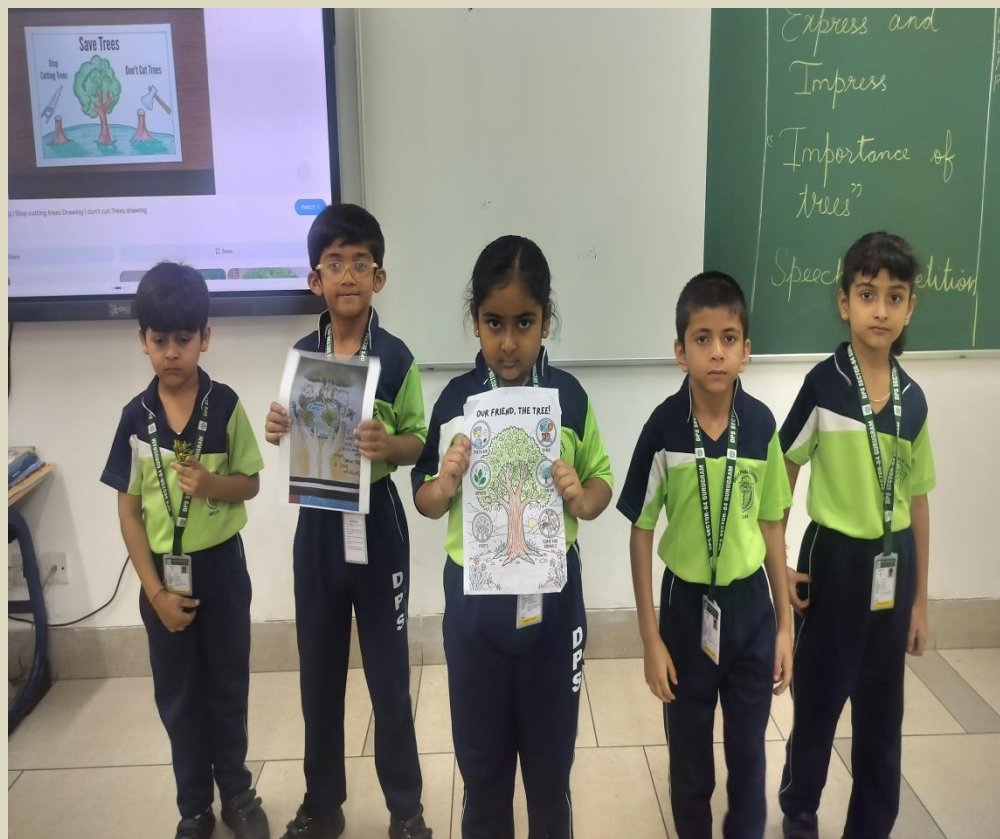

To celebrate Van Mahotsav, an "Express and Impress" Competition was organized to encourage students to express their thoughts on the importance of trees and environmental conservation. The participants confidently shared inspiring ideas, highlighting the vital role of forests in maintaining ecological balance and promoting a healthy planet.

The activity helped students develop their communication skills while fostering environmental awareness and a sense of responsibility towards protecting nature. Their thoughtful presentations reflected creativity, confidence, and a commitment to building a greener and more sustainable future.

VAN MAHOTSAV-EXPRESS-IMPRESS COMPETITION

DELHI PUBLIC SCHOOL, SECTOR-84 GURUGRAM

POSTER MAKING COMPETITION

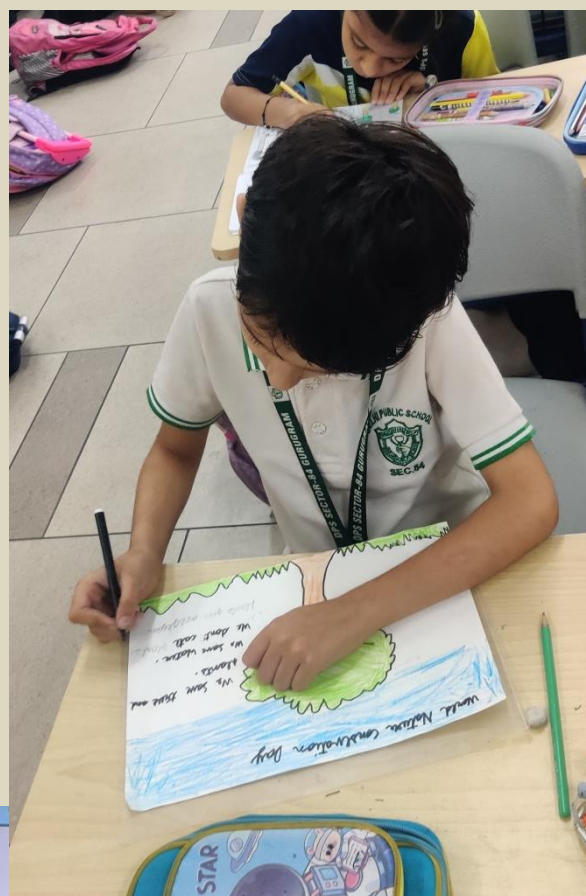

To mark World Nature Conservation Day, a Poster Making Competition was organized for the students to spread awareness about protecting and preserving our environment. With great enthusiasm, the young learners created colorful and meaningful posters highlighting the importance of saving trees, conserving water, reducing pollution, and protecting wildlife.

The activity encouraged students to express their ideas creatively while understanding their responsibility towards nature. Through their artistic efforts, they conveyed powerful messages about caring for the Earth and inspired everyone to adopt eco-friendly habits for a greener and healthier future.

HINDI ACTIVITY

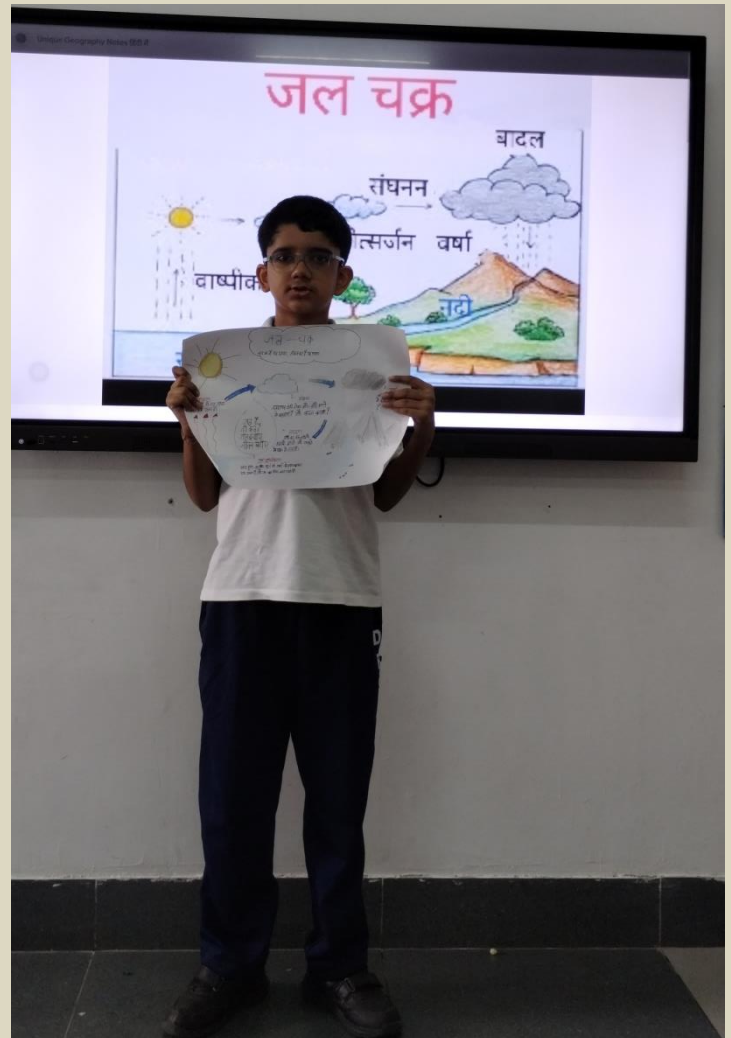

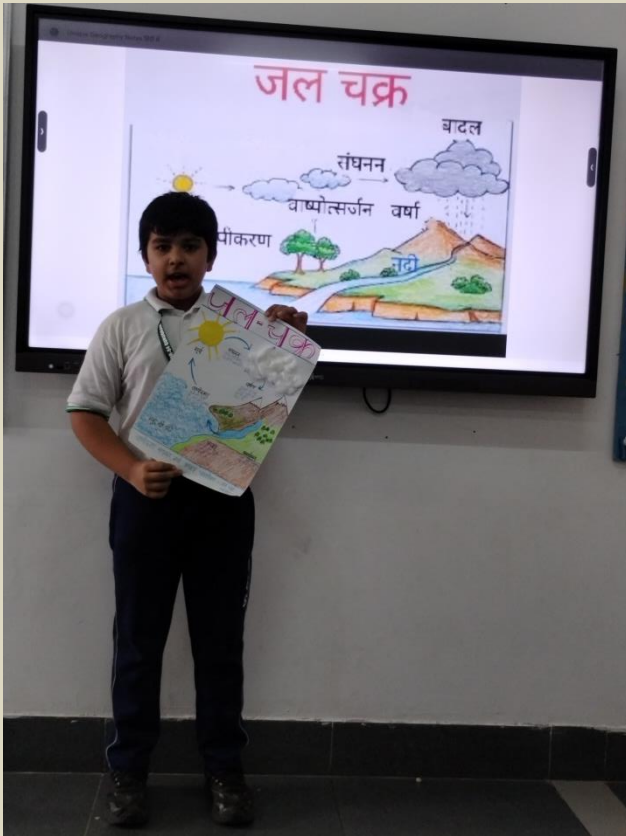

कक्षा 7 के विद्यार्थियों ने 'जल चक्र' विषय पर एक ज्ञानवर्धक एवं प्रभावशाली प्रस्तुति दी। विद्यार्थियों ने वाष्पीकरण, संघनन, वर्षा तथा जल-संग्रहण की प्रक्रियाओं को क्रमबद्ध एवं स्पष्ट रूप से समझाया। इस गतिविधि ने विद्यार्थियों के विषय-ज्ञान, प्रस्तुतीकरण कौशल, आत्मविश्वास तथा प्रभावी अभिव्यक्ति क्षमता को विकसित किया। सभी विद्यार्थियों ने पूरे उत्साह और आत्मविश्वास के साथ अपनी प्रस्तुति दी, जिससे यह गतिविधि अत्यंत सफल एवं ज्ञानवर्धक रही।

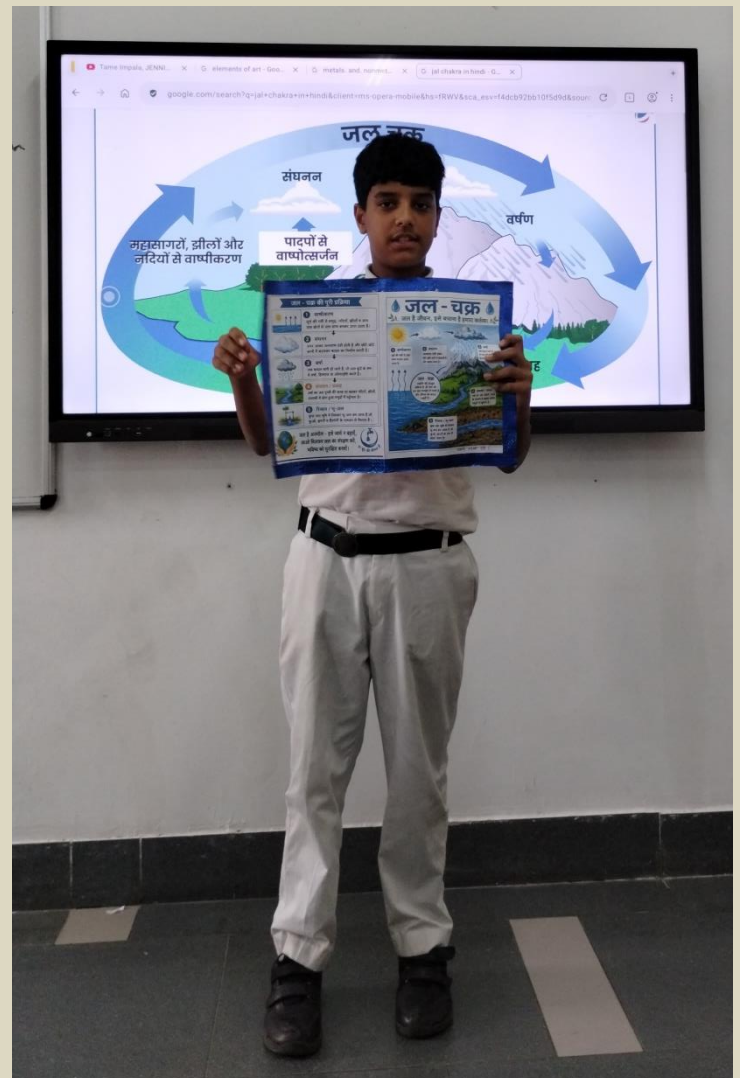

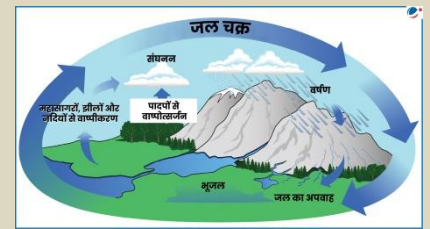

HINDI ACTIVITY

HINDI ACTIVITY

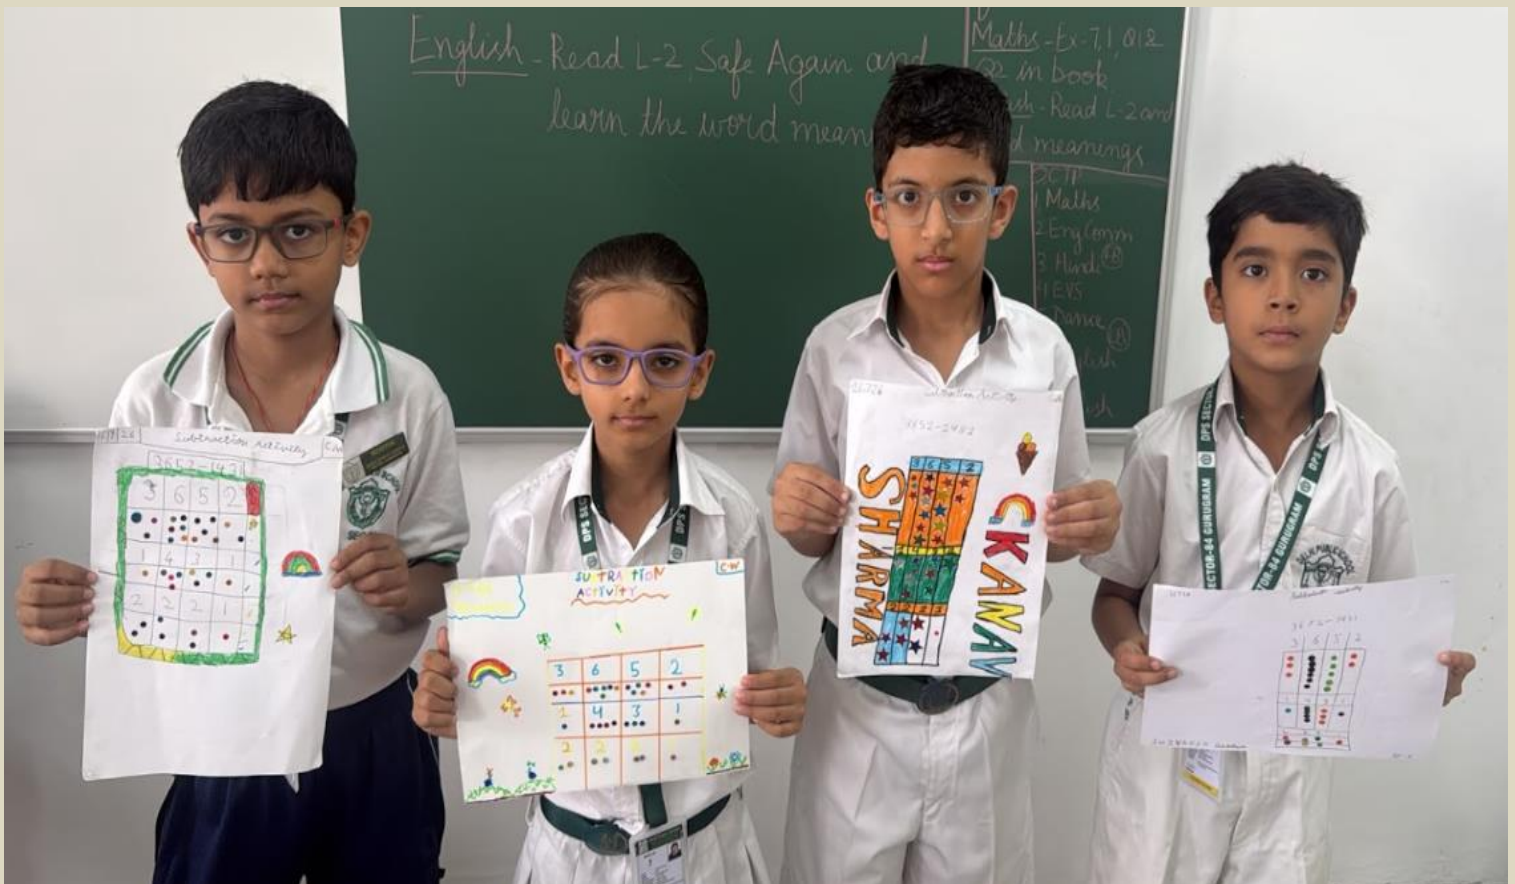

SUBTRACTION QUEST

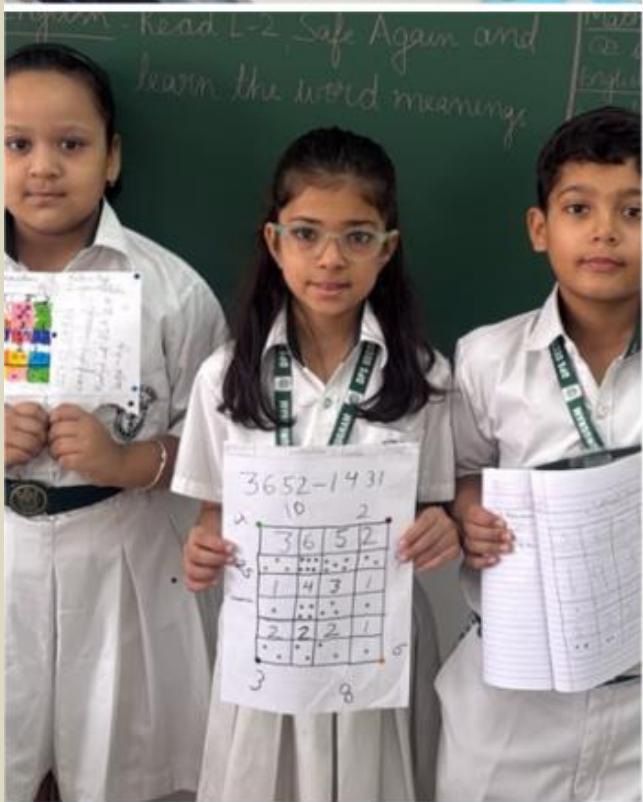

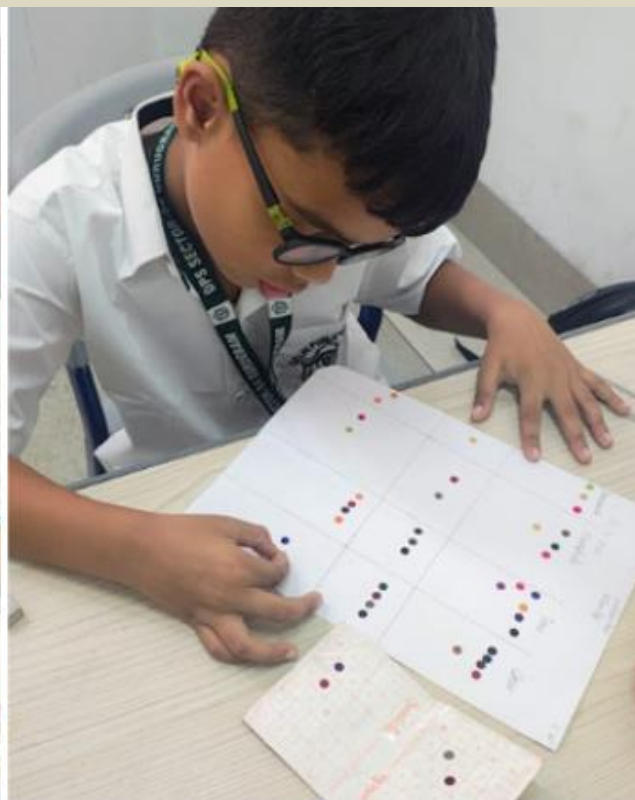

"Every problem has a solution—one step at a time!"

Students embarked on an exciting Subtraction Quest to practice subtracting 4-digit numbers with regrouping (borrowing). Using four different colors of bindis on A4 sheets, they represented place values and solved subtraction problems in a hands-on, engaging manner. The activity strengthened conceptual understanding while making learning colorful, interactive, and enjoyable.

SUBTRACTION QUEST

EVS ENRICHMENT ACTIVITY – QUILT MAKING

Our young learners enthusiastically participated in the Quilt Making Activity, where they creatively reused small pieces of discarded fabric to design colorful quilts. Through this hands-on activity, students learned the importance of reusing old clothes to reduce waste and identified different types of fabrics based on their texture and appearance. The activity fostered creativity while reinforcing the values of sustainability and responsible use of resources.

EVS ENRICHMENT ACTIVITY – QUILT MAKING

DELHI PUBLIC SCHOOL, SECTOR-84 GURUGRAM

EVS ENRICHMENT ACTIVITY – KNITTING AND WEAVING

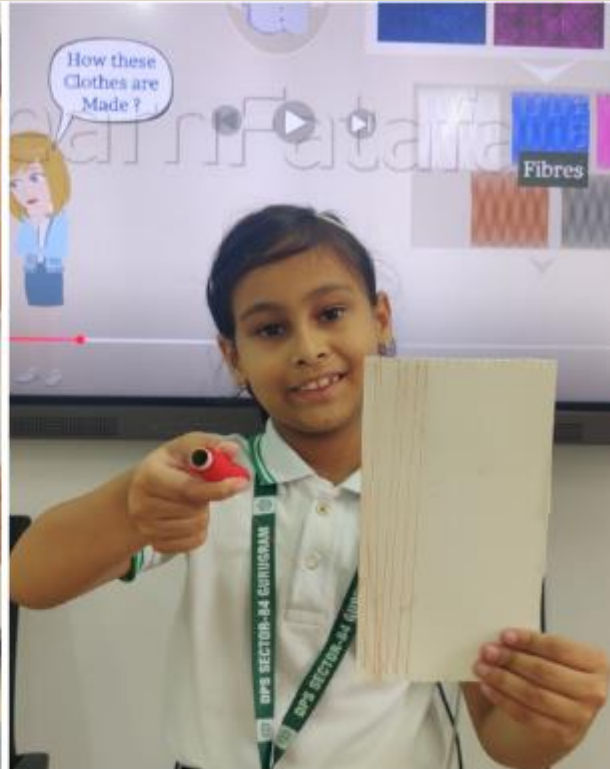

Our students explored the fascinating world of knitting and weaving through an engaging hands-on activity. They learned that weaving is the process of interlacing two sets of threads to make fabric, while knitting involves creating fabric by making loops of yarn with needles or hooks. The activity helped students appreciate how different fabrics are made, understand the effort and skill involved in making clothes, and value the importance of handmade textiles. It also encouraged creativity, patience, and respect for traditional crafts.

EVS ENRICHMENT ACTIVITY – KNITTING AND WEAVING

VAN MAHOTSAV CELEBRATION

“Plant a tree today, and let tomorrow breathe.”

Van Mahotsav was celebrated through an inspiring House activity where students penned creative and impactful slogans highlighting the importance of trees and environmental conservation. Their thoughtful messages reflected a deep sense of responsibility towards protecting nature and promoting a greener, healthier planet.
